

## **HANSON COMMUNITY EDUCATION CLASSES**

### **‘Linking families and school together.’**

We are delighted that, in collaboration with BIATA (Bradford & Ilkley Arts and Technology College), Hanson School will be running a wide variety of community adult education classes this year.

This exciting new venture, which follows Bradford College’s decision to withdraw evening classes in this community, begins on September 10<sup>th</sup>. Classes cost just £3 per hour and every one had a chance to ‘try before they buy’ as free taster sessions were offered. Most courses are for pleasure, leisure and interest as there are no formal exams or assessments. Some, however, are tailored to those who would like to gain nationally recognised qualifications.

Twilight courses at Hanson (Wednesday 3.30 – 5.30) include Beauty Care and Asian Dressmaking. Evening courses at Hanson (Wednesday 7.00 – 9.00) include English and Maths GCSE, Calligraphy, Word Processing and Nail Art. Meanwhile, Dancercise and Modern Dance classes are available in the Dance Studio in the GOALS Centre.

For more information about these and other opportunities, please telephone 01943 605920
